***Aspire not to
have more but to
be more***

- To raise awareness for persecution of children (we are in the process of organising to work alongside our local church St. Annes to raise money to support a school in Gaza).
- Celebration of the Word – Pilgrims of Hope – This to take place on St. Maximilan Kolbe
- Create links with local Care homes
- Non-uniform days to raise money for charity (school for Gaza / supporting pilgrimage to Lourdes).
- Jubilee door at the chapel so students can learn about the Jubilee Year of hope and what it means to our Catholic lives.
